WICK'S WEEKLY

A very disappointing effort was put up by the Royals last Sunday when we were horribly defeated by the Kwinana side.

Kwinana had the game sewn by at quarter time after they had slammed on twelve goals in the first quarter compared with our one. The Royals could not answer the onslaught of Kwinana in the first quarter and in the remaining three quarters the game just turned into a goal for goal affair in the very wet conditions.

No doubt all players and supporters will quickly want to clear the game from their minds.

Best players in a very disappointing league side were:

1. Kevin Wilson: Turned in another great display in the backline but did not receive nearly enough support.

2. Wayne Hill: Battled hard on a half-forward flank.

3. Ralph Martin: Played very well on a centre wing.

The Seconds side completely out-classed the opposition with a very skilled exhibition of play on football in the slippery conditions and certainly accounted for their loss to Gosnells the previous week.

Another similar effort will be required by all Seconds players this week against the strong Thornlie side who are perched on the top of the ladder.

All players contributed to the victory last week. However, there were a number of players who stood out. These were Darryl Ogg on the ball and Neville Fry in the centre. Doug Backhouse and Porky Walker also turned in great performances.

Today's games should be two beauties with the Royals Reserves side striving to put a halt to Thornlie's winning run and both League sides wanting to pick up the four points which they did not get last week.

"IN THE LIONS LAIR"

In a tight, hard game last week the Lions went down fighting to the Bulls Blurb. Maddington were able to play sustained footy and hold out the Lions in the last quarter. Full credit to the 20 Thornlie players for a game that was a big test for us, and, up until the 10 minute mark of the last quarter the Lions more than held their own. The weather was fine at the commencement but within 10 minutes the ground was saturated. It was unfortunate that the weather changed the pattern of the game but never the less a very good performance by the Lions. It was good to see players chase after the ball and use any means to keep the ball going forward.

AFTER MATCH AWARDS—LEAGUE
CLINTON FARMER, KEN TAYLOR, FRANK GEERS and Special award to DARRYL ELARI.

The Reserves was a different story. Unfortunately Maddington were far too good for us and completely ran away with the game. It is very hard to believe that Maddington reserves are a 20 goal better side than us, so next week fellas, let's see if we can beat Kenwick by the same margin.

AFTER MATCH AWARDS—RESERVES

"THE BULLS"

Last Sunday the Bulls consolidated their position at the top of the Premiership Table with a fighting win in the League and a hollow victory in the Reserves.

Although the League game was played in wintery conditions and was obstructed by a very indifferent exhibition of umpiring, we saw four quarters of action packed football highlighted by an outstanding exhibition at full forward by Jim Butler who mastered the wet conditions and kicked 8 goals.

The lead sawed throughout the game and it was not until 15 minutes into the last quarter that the Bulls were able to shake off a spirited challenge by the Lions and establish a final winning margin of 15 points.

BEST PLAYERS

JIM DI CARLO: Capitalised on our ruck supremacy and won many kicks around the ground with a first class exhibition of roving.

JIM BUTLER: Kicked 8 in a total of 11 goals with a magnificent exhibition of fast leading, sound marking and accurate kicking.

DENNIS COMETTI: Quickly established control with a top class ruck display and proved conclusively that he is the best ruckman in the competition.

ROSS PALMER: Was prepared to do the unglamorous things all day and his hard bullocking work around the ground was a major factor in our following divisions dominance.

Brian Godridge, Rod Mohr and Eddy Maddigan combined excellently together and worked tirelessly throughout to repel many attacks.

Showing unparalleled desperation and will to win the Reserves went about destroying Thornlie (unbeaten prior to the game) with a methodical and consistent four quarters of first class football.

BEST PLAYERS: P. Johnson, D. Bushell G. Rothnie (6 goals), S. Brice (3 goals), T. Richardson and D. Walker.

Congratulations of Bruce Clarke on his appointment to the Committee of Management, Bruce replaces Lindsay Reynolds who has resigned to enable him to concentrate on football with Perth.

SEASIDERS SPOTLIGHT

The A Reserve scored their first win of the season in comfortably beating Armadale at home last Sunday. Full credit to the players in the way they handled the wet conditions. A winning ruck led by Tom Heltman and Geoff O'Neil allowed Mandurah to continuously attack and kept pressure on the opposition all day. Strong in defence for Mandurah was Steve Holst at full back who repeatedly turned back Armadale's attack. Peter Dunsmore showed plenty of courage in the pocket to also show amongst the best for Mandurah. Coach Rob Rundell, who also played well, must be pleased with the improvement and determination amongst his team. Well done all players.

The A Grade again disappointing in being narrowly beaten. With two points separating the teams at half-time it looked like developing into an extremely close game. Armadale, however, took control in the third quarter and though Mandurah fought back in the last term they could not bridge the gap. The loss of Bill Hough at half-time proved a big blow to Mandurah who were gaining ascendancy in the ruck. Brad Trevenen again produced a great game of football and with coach Don Rintoul, Greg Reynolds and Les King filled the best players on the day. Away today at Canning the A Reserve would need only repeat last week's form to register their second four points. The A Grade, however, must produce a four quarter effort if they are to win today.

Don't forget the Fancy Dress Cabaret on the 23rd. Tickets from Danny Hillin.

THE KNIGHTS' NOTES

Tremendous. That is surely the best word to describe the league side's effort against Kenwick last Sunday. The first quarter of football in which 11 goals 1 point was scored must rank as the best quarter of football ever produced by a Kwinana side.

Geoff Grovenberg has always said that we are a better side than the players realise and this win must give them confidence. We now occupy second place on the league ladder and everyone has his eyes on that top spot. We now need to make sure we don't relax until we attain it. To sum up the best players:

Bill Dunne—8 goals and Murray Lloyd—6 goals, enough said.

Frank Legina—courageous and constructive.

Rod Elmer—vigorous and dashing.

John Lange—cool and reliable.

PLAYER OF THE WEEK (a new segment)

This year Dave McGlade has probably missed out on some of the glamour that has surrounded a few of the other players but his contribution to the team's success has been a very solid one. Dave hasn't played a bad game this year and his willingness to work hard and do the unspectacular but most essential things has created many opportunities for his teammates. He is an inspiration to others at training and is displaying an added maturity in his attitude towards the game. Geoff has many times expressed his appreciation of Dave's efforts.

The Reserves' effort last week was a very disappointing one. On paper they have a very good side, they are training well but unfortunately the results weren't forthcoming on the track. How about a big effort today fellows.

Today's game is against Armadale and they mustn't be taken lightly as they are a much improved side. The Armadale players and officials are invited to stay behind and enjoy our hospitality after the game. Hot soup will again be available for children from both sides.

QUOTE OF THE WEEK: A winner never quits. A quitter never wins.

TIGER RAG

It's happened again—a winning first half but defeat in the second. The League side played the best first half of football seen of them this year and the Reserves proving they are capable of winning games if they can play four whole quarters.

What can anybody say about the League side? A brilliant first half of football and then a crushing second half. The side dominated in every position on the ground and completely over-ran a strong Gosnells side. With Billy Archibald, Greg Green and Graham Dugmore doing everything right in the backline and with John Vlahov, Geoff Mangini and Graham McGeady playing great forward line football Canning raced ahead to a fourteen point advantage at half-time.

But, after half-time, Gosnells dictated all the play, with Canning having no answer for the strong play-on Gosnells side. Nothing more should be said about this half.

The Reserves fought hard all day but again only showed glimpses of their true form. Tom Burford and Bob McGirk held up many of Gosnells' forward attacks with strong support coming from the ever-reliable Rico Versteeg. The Hunter brothers and Lee Williams again played strongly.

This week see the return of Paul Polsen and with his ability to lift the side Canning should bring up its first win against a side in a similar position to us—Mandurah who have also yet to register a win.

SOCIALLY SPEAKING

The Ball—remember it is on the 12th July and tickets are available from Tony Johnson or any club member.

Finally, our game today is our first double.

BULLDOGS BULLETIN

"Congratulations" to the Reserves on their great win against Kalamunda. It was a fine example of team football that paved the way for such a big score. With "Big" Paul Hansen rucking and handballing intelligently, the side was set in motion, allowing them to move the ball into the open. After this was done, players like Alex Stoma and Alan Mitchell used their pace to get the ball into our forward line quickly so that play was not congested, resulting in our forwards having lots of room to move about—consequently, the big score. Wally Bickerton capped off many forward moves with 7 goals from his own boot and was instrumental in many others. Keep up the good work fellers and get right behind your coach. NO BACK BITING, for Peter has a difficult job in selecting the side. I'm sure this came to your notice last Thursday night. There were eleven players who did not get the opportunity to be on the ground for Sunday's game. I hope ALL players realise the pressure is on YOU.

A big thanks Wendy and Wally for a tremendous night at your home last Thursday evening. Wendy truly proved herself as a cook in our boys' eyes. It's people like yourselves that make a great club—GREATER.

Best players were—20 DEDICATED FOOTBALLERS!

LEAGUE

This game was played in non-top rain for the second week in succession and our boys adapted themselves to the conditions a lot quicker than Kalamunda. With David Lightfoot having "2 WEEKS VACATION" Alan Maffina lined up at full forward for his first game for '75. Good to see you back Alan. The game in itself was not a very good spectacle, owing to the shocking conditions.

Hatfield Park has a tremendous base and surface and I don't think you would ever see a drop of water on this oval.

Players to do well for the 'Bulldogs': —TONY HIDEBRANDT (opportunity knocked). RAY WITT (once again). DAVID LUCICH, BRIAN ANDRIJICH, BARRY CRIBB and KIM TURNER. Congratulations to NOBBY ROSE on his first "League Game."

Today we face the Hawks at Gosnells and it will be a great opportunity to see if we are to be a force to be reckoned with as they are in third spot on

the ladder. Don't forget we are yet to beat a team above us this season.

Last Thursday, 51 players attended training. Let's keep up these numbers.

See you at Gosnells before and after the game.

KALAMUNDA KOUGARS

BRIAN QUARTERMAINE'S 150th GAME.

Congratulations Brian on this achievement last week you've certainly been an invaluable member of the team over the years. Your long dedication to the club has been appreciated.

Last week's game against Kelmscott produced some good passages of play despite the inclement weather, unfortunately not sufficient to chalk up a victory. Our objective is to win two games out of the next four, and start the climb upwards on the league ladder in the second round of matches.

Players who did their job well were Ian Buicher, Bruce Leaver, John Wilson, Graham Watson, Jeff Stallard and Eddie Hayes. Laurie Smith, who has been standing on the sidelines so far awaiting a clearance, produced the best roving exhibition of the season for the club. Carry on the good work.

Reserves best players were Les Dobson and Russell Evans.

SOCIAL EVENTS

It is not too early to mention the Annual Ball on 12th July. This has become a very popular event and was sold out well before the date last year. Get your parties together now, and make it a bumper crowd again. Tickets are \$12 a double, with drinks and supper provided.

CAKE STALL: Don't forget next Saturday morning outside Woolworths in Haynes Street, Kalamunda, at 8.30 a.m. All players and members are asked to get behind the club and donate a minimum of 2 cakes, or any fresh produce for sale.

FOOD HAMPER: Players are reminded they are expected to provide two grocery items towards our food hamper for the stall. These must be brought to training on Tuesday night. Please don't let us down.

DEMONS DIGEST

Today folks, we travel to Kwlana, home of the Knights. If we play our cards right, we can become the forty thieves of the Arabian (K)night, and 'steal' eight points!

At Gwynne Park last week the Under 18's showed great fighting qualities to come from behind to almost snatch a win, but managed to get the next best thing, a draw. Peter Heal's contribution of five goals was a fine effort. Keep up the good work lads!

Down at Mandurah last week, the Reserves were well beaten in the first half. But, to their credit they came back in the second half, with a better sense of persistence and teamwork, and narrowed the gap quite considerably. Although they still lost, their efforts of the second half should give them more confidence in themselves for today's encounter. Foremost in their fightback, were Frank Woods, 'Doc' O'Reilly, Athol Collard, 'Perky' Perkins, and young Col, who 'towered' over his opposite number for most of the game. Peter 'Tubby' Wilkes showed that he is more than ready to return to league side again.

The league side chalked up their third win for the season, in an exciting, evenly matched game. Neither side were in complete control at any stage of the game. The deciding factor for the Demons, was the performance of the 'Armada Flyer,' Alan Narkle. Every time the ball comes his way, there is an air of excited expectancy, in the heart of every Armadale supporter. This was, once again, a solid team effort, and there were no better contributions to this effort than that of John Connell, and Mike (Mr. Reliable) Birmingham.

Our thanks to our many supporters who came down to Mandurah to give the lads their vocal support and encouragement. It is most appreciated by both the players and the officials of the club.

The Juniors need one or two willing ladies to help in the kiosk at home games. With something like 150 boys in the Junior Club, there must be two ladies to help out, if only to show their appreciation of all the work done to provide these young lads with a game to look forward to each week. So, how about it?

It was heartening to see the local paper, the 'Comment News,' that the Armadale Football Club was commended on its positive efforts to keep litter down to a minimum. As we have said before, we want to 'see you later', not 'see you litter'. It's a matter of conscience really, isn't it?

Notices:

Bingo: Starts tomorrow evening (12.5.75) at Gwynne Park Pavilion from 8 p.m. to 10 p.m. Come on over folks, and make it a 'full house.' You'll enjoy yourselves!

Sporting Films Show: Friday, May 30th at the Armadale Hall, from 7

THE HAWKS WILL STRIVE IN '75

Last Sunday saw the Hawks once again victorious in both games against Canning but left a lot to be desired.

The Seconds game appeared to be all wrapped up early but either a lack of concentration or complacency allowed our opponents to come back into a game which we should have bolted in. "Town and Country Award" Kevin Little.

The League game marred once again by continual drizzle was not of our highest standard and simple errors meant a hard fight all day to gain the 4 points.

Not much praise is given to umpires but a new face to us this year in Les Ayres turned in what was considered to be an intelligent display by football standards and not the "Goldilocks" style adopted by some of the umpires so far this year.

Congratulations to our Junior Committee in staging a very well organised "mini" game of our under 10 sides at half-time. A good display. Pity the weather made it hard for the boys but the Mums, Dads and supporters enjoyed it.

"GRANDSTAND COMMENT"

From the shoulder—take it that way. At the end of the day Gosnells won by points; a lot of points, when people pay 60c to see a first class game they expect to see a first class win by either side. Sure the weather was rough but the coach and players should be experienced enough to realise this and play accordingly. Cannington were the better ground players, faster and more aggressive, when the Hawks attain these factors they will be unbeatable. One of our ruckmen seems to read aggression the wrong way judging by his performance today and I mean performance. When a half-back plays four quarters and still gives away the same continual free kicks something should register. Remember the rules "down back" are the same as you receive "up front" but the kicks more important.

Len "Tiger" Marsh earned his votes today through pure aggression and sometimes skillful disposal, but I believe the other votes were allocated and not always earned.

"SOCIAL"

Remember—two coming events: May 16th, "Cabaret" Gosnells Hotel Winter Lounge—a must for all players and supporters.

May 31st "Singapore Trip." This will be the night of all nights.
